**EMINENCE**

given to

*Govindakrishnan C*

on the 27<sup>th</sup> day of February 2021  
in recognition of excellence achieved against all odds

A person with vision loss, he triumphed over his odds  
To make them his strengths... Gaining insight  
From the attainments of education amidst sighted peers,  
He charted out his dreams to lead others with vision loss  
Improving the quality of their lives, rising sky high above the rest  
He established The Nethrodaya Trust.  
Creating such services as an educational institute for children and young adults  
Also establishing a digital audio & braille library, and  
Numerous other programmes for blind people

More... realizing that equally important as living with dignity, was  
Dying with dignity, he launched the  
"Death with Dignity" scheme across 32 districts of Tamil Nadu  
Providing the all-important finances to have  
One's loved one's last rites done with affection & dignity

He also continues to work in various other capacities.  
Changing lives of countless people and making it his  
Life's mission to bring dignity to numerous others with vision loss  
His is a story of true grit and determination  
And a source of inspiration to many.
