

Nethrodaya
LET'S SHARE THE LIGHT

The Eyeopener...

Annual News Magazine

2018 - 2019

Our stories of success get bigger and bigger...

Nethrodaya gets an entire new storey, designed to international standards to provide barrier free living for our students.

In this journey of Seventeen beautiful years, Nethrodaya and I have shared a common life story, the one which revolves around the attitude of service to humanity. In our non-visual World, which is brightest from within, with an altruistic mind-set, we at Nethrodaya have seen eye to eye through our hearts, conversed through our inner vision and exchanged feelings and emotions through our other senses. Whilst, continuing to uplift one another from the day to day challenges of life, we have drawn inspiration to light up each other's path and that of other visually impaired with hope, courage and fulfilment.

**How it all began!**

Being a witness to the everyday sufferings of the visually impaired young minds, the college students and the unemployed youth in Chennai, seeded the idea of starting Nethrodaya on October 2, 2002.

From a humble beginning in rented premises of 450 Sq Ft area to Seven grounds of land allotted by the Government of Tamil Nadu by issuing a historic GO Ms No. 748 dated 20/11/2006, today, Nethrodaya is housed in a sprawling permanent State-of-the-art barrier free building with well oriented and user-friendly facilities for the visually impaired and the differently abled children.

Thanks to overwhelming support from our well-wishers, Nethrodaya was able to add an entire 2nd floor, designed to international standards. This free residential special school block was inaugurated on 30th June, 2019 for housing our visually impaired and orthopaedic students. We have also created a facility of sprawling 5000 sq ft auditorium that serves as a venue for hosting all our programs and conduct marriages for the differently-abled."

Attitude of gratitude!

Becoming fully functional and operational by 2019, especially infrastructure wise, all this and much more could not have been possible without the unconditional support and encouragement of our kind-hearted donors, volunteers, patrons and committed team of Nethrodaya. We shall be ever grateful to each one of them, for they continue to be our greatest pillar of support, seeing us through every milestone and making this journey a productive and dignified one for the differently abled in our society.

Hands that help to uplift others, especially the needy are never enough! I sincerely appeal to every kind hearted and compassionate mind to join hands with Nethrodaya in the journey of educating and empowering the visually impaired and the differently abled to reach new levels of excellence in their lives!

Nominations

C.Govindakrishnan, Founder, Nethrodaya, continues to serve on the advisory board and committees of various Government organisations:

- State Advisory Board, Government of Tamil Nadu
- Welfare Board for the Differently-abled, Government of Tamil Nadu
- Multi-Disciplinary Grant in Aid Committee, Government of Tamil Nadu
- Executive committee for implementation of Audio Alert Device, Government of Tamil Nadu
- Technical Committee for the welfare of Differently-abled persons, Government of Tamil Nadu
- Zonal Railway users' consultative committee, Southern Railway

Awards and Recognitions :

The Government of Tamilnadu appreciated and recognised our efforts and services by awarding Nethrodaya, as '**The Best Institution**' for visually impaired and me as '**The Best Social Worker**' for the differently abled community' on two different occasions. I consider both these awards as a prestigious honour as I received them from our two former Chief Ministers Dr. M.Karunanidhi and Dr.J.Jayalalithaa.

Nethrodaya had given a recommendation to the Government of Tamilnadu for installing Audio alert devices in the city buses to help the visually impaired persons. This was accepted and launched by our Hon Chief Minister Shri Edapadi.K.Palanisami.

Honourable Deputy Chief Minister of Tamilnadu Thiru O.Paneer Selvam has issued an order to exempt the Infrastructure, Development and amenities charges for Nethrodaya.

*Launch of Audio Alert device
by Hon'ble Chief Minister Thiru Edappadi K. Palaniswami*

*With Hon'ble Deputy
Chief Minister O.Paneer Selvam*

Best Institution Award to Nethrodaya

Best Social Worker Award to C. Govindakrishnan

Advocacy of Nethrodaya:

Nethrodaya approached the Madras High Court with a prayer to direct the State Government to frame new guidelines and issue Government orders for appointment of scribes to appear for board exams of the visually impaired. The honourable Chief justice of Madras High court carefully examined and understood the merits of the said case and issued a historic judgment on 28/1/2016 directing the State Government to issue modified guidelines by incorporating the suggestions. Subsequently, the Department of School Education and Higher Education issued the Government Orders for appointment of Scribes for the Visually Impaired students appearing in their Board and University Exams.

Nethrodaya approached the school education department and Obtained a GO for fee exemption for the visually impaired private candidates appearing for the board exams conducted by Directorate of school examinations.

Nethrodaya obtained a GO from the School Education department to permit visually impaired students to apply online for Std 10th ,11th, 12th board examinations .This facility has benefitted thousands of visually impaired students in Tamilnadu.

Nethrodaya has filed Public Interest litigation (PIL) in the High court of Madras towards ensuring maintenance allowance for the Visually Impaired. The PIL seeks that:

- The maintenance allowance should be given only by the department of differently-abled welfare to the visually impaired instead of the revenue department
- There should be no disparity in Maintenance allowance given to the differently-abled. This issue was raised as the maintenance allowance of rupees 1000 /- given to visually impaired was lesser than the maintenance allowance of rupees 1500 /- given to other disabled categories .
- The Government should adhere to the Rights of Persons with Disabilities (RPD) Act 2016 and implement the same.

Nethrodaya's recommendations to the Railway board which are under consideration:

- Separate food counters for the disabled persons in all Railway Stations
- Increase the Berth Reservation Quota in Trains for the visually disabled persons
- Free passes on Electric and Metro trains for the visually disabled persons
- Audio enabled toilets on trains

Nethrodaya is confident that the concerned Railway Authorities will look into the above prayers and do the needful.

Nethrodaya`s Donate Your Eyesight Campaign

As a country, we are a long way from ensuring an inclusive society for our visually challenged fellow beings because of lack of awareness and the taboos that still exist around eye donation. Nethrodaya's 'Donate Your Eyesight' Campaign sensitizes the society in general and youth in specific, on 'Eye donation is not donating your eye organ' per se, but it is only the donation of cornea which will benefit people with corneal blindness. With 100s of eye related diseases which are irreversible and irreparable, Nethrodaya's donate your eyesight campaign will be a boon to many visually impaired and help them lead a happy and dignified life. We appeal to one and all to spread the message of this campaign.

PROJECTS

Nethrodaya's Special School and College of Special Education for the visually impaired and orthopaedically disabled, is a unique and one of its kind educational institution in Tamil Nadu which is being run by a visually impaired. Benefitting 100's of visually impaired and differently-abled economically backward students hailing from remote villages of Tamil Nadu, Nethrodaya continues to impart best quality education absolutely free of cost.

Nethrodaya practices inclusiveness with an integrated methodology. Here the Visually Impaired students and the Orthopaedic Students co-exist to combine and leverage upon each other's strengths by overcoming their Disability. Implemented successfully this practice provides an opportunity for the Orthopaedic students to read and write for the Visually Impaired and the Visually Impaired to share and exchange their books of knowledge.

Nethrodaya Higher Secondary School for the Visually Impaired and Orthopaedic:

Recognized by the Government of Tamil Nadu, Nethrodaya Special School for the Visually Impaired and orthopaedic has been imparting best quality special education to the economically backward visually impaired as well as orthopaedically disabled boys and girls of class VI to class XII, belonging to the state of Tamil Nadu.

With smart classrooms, digital library, computer labs, fitness centre, dormitories with tactile flooring, separately for both boys and girls students, Nethrodaya caters to the educational and overall wellbeing of the differently abled children

Qualified special educators who have in-depth knowledge and hands-on experience in specialized teaching-learning methods like Braille and one-to-one teaching are a part of Nethrodaya's esteemed faculty, who are with us in this journey of empowering the visually impaired children.

***Janaki**, a class XI student at Nethrodaya hails from Chengalpattu in Kanchipuram district of Tamil Nadu. Her father works for a security agency and her mother is a housewife. Physically challenged with both her legs completely paralyzed, Janaki couldn't attend a general school. Owing to poverty and lack of*

residential special schools in their village her parents couldn't provide her with special education. Luckily for Janaki, One of the volunteers of Nethrodaya told her and her parents about Nethrodaya and referred her for admission.

Today, Janaki is a happy Nethrodaya student, who enjoys life despite her disability! With the assistance of visually impaired girls she does goes about her daily activities and remains cheerful. As a mark of gratitude, she says once she completes her education, she wishes to dedicate her rest of the life towards serving the differently-abled.

*Born a dwarf, with visual impairment, **Divesh**, today stands tall as a class X student of Nethrodaya! A passionate chess player that he is, with special training he continues to participate in various chess tournaments. Recently, he participated in the National level chess competition for the blind and is confident that he will become a world champion in the future.*

With an inspiring real time story behind, where his father couldn't find a normal school for Divesh due to his multiple disabilities and general acceptance, we are happy to see him lead a meaningful and dignified life, here at Nethrodaya.

Nethrodaya College of Special Education

Recognized by the Rehabilitation Council of India and Government of Tamil Nadu, Nethrodaya College of Special Education is affiliated to the Tamil Nadu Teachers' Education University which imparts teaching skills to the visually impaired and orthopedically disabled boys and girls belonging to poor families, completely free-of-cost. With Qualified faculties in special education, Nethrodaya College of Special Education ensures that young students with disabilities have the skills and ability to enter the workforce and gain meaningful employment, remain employed, and advance in their jobs.

Kannan and Selvi, two of our college students stand as a perfect example for having converted a disability into an opportunity!

Losing sight at a prime age gave Kannan a vision for life! Hailing from Ariyalur district of Tamil Nadu, Kannan lost his sight just after completing his M.Com degree in 2016. He was unable to continue further studies due to his sudden loss of Vision. That is when he approached Nethrodaya College of special education, seeking admission in B.Ed course. Today, he is pursuing his 1st year B.Ed course at Nethrodaya College of special education, aspiring to turn his dream of becoming a teacher into reality, so that he can serve the underprivileged and needy in our society.

Selvi from Salavanpet in Vellore district of Tamil Nadu is a visually impaired girl, who was unable to pursue her B.Ed in Special Education, owing to the non-availability of special B.Ed colleges in her home town. Referred by the National Institute of Visually Handicapped, Selvi joined Nethrodaya in 2018 to pursue her two year B.Ed course. Presently, a 2nd year student, she is truly dedicated and committed towards her studies.

She is a classic role model for every girl child with special needs and education, as she dreams to educate and empower the disabled girl children in her village.

FACILITIES AT NETHRODAYA

Computer Lab

Nethrodaya's well-equipped computer lab provides much needed training for the visually impaired to work with Microsoft Office, Internet and emails on par with the sighted persons. Thousands of students who passed out from Nethrodaya with enviable digital competence and settled in decent IT jobs with attractive salaries, stand testimony to the success of Nethrodaya's computer training courses for the last seventeen years. This lab which is equipped with best quality screen readers, braille printers and free browsing facility for the visually impaired is the first of its kind in Tamil Nadu.

Digital Audio and Braille Library

Nethrodaya's Library is one of the best of its kind in India with thousands of audio study materials for the visually impaired. Having well-established connection with international digital libraries, our library has a wide variety of books and study materials ranging from Tamil Nadu school and college text books to competitive exam study materials and motivational books. These books and materials have so far benefited thousands of visually impaired students of Tamil Nadu.

Different types of Tamil and English language books printed in Braille script are kept at Nethrodaya's Library for developing the students' cognition, independence and braille literacy. Braille is an essential component in a visually impaired person's life, and it is the only classic method to offer real reading experience. Students are hence given the opportunity to read braille books of their needs whenever they feel like. Braille reading offers our students the satisfaction of self-reading and independence from readers or electronic devices.

Reading Centre

The warmth and liveliness of human reading can never be replaced by any machine. Realizing this truth, Nethrodaya has reached out to hundreds of kind-hearted volunteers who continue to offer their eye sight and voice to read out books and study materials of their need to the visually impaired students. These readers who read textbooks also lend voice for recording study materials and take the role of a scribe for the visually impaired to appear for their exams. They very often turn out to be excellent teachers and a window to the outer society for our visually impaired students, thereby contributing to their holistic development.

Nethrodaya calls for retired people as volunteers too, who can lend their voice for reading and recording lessons for the visually impaired.

Fitness Center

Physical fitness is an inevitable ingredient for success, more so for the differently abled. Realizing this fact, Nethrodaya has established a fully functional high-tech fitness centre for our students where they can indulge in daily warmups, exercises and body building. Specialized masters are invited to take yoga classes to our students on a routine basis, so that they stay physically fit and mentally sound.

Auditorium

Nethrodaya also has a well-equipped auditorium complete with tactile flooring and ramps for orthopaedic students which can accommodate 300 at a time, serving as a multi-functional hall to host seminars, workshops, conferences and marriages for the differently-abled providing quality service to the differently-abled population in Tamil Nadu.

Free boarding facilities

Nethrodaya provides user friendly, high quality boarding and lodging facilities including nutritious well balanced food cooked by an in-house cook three times a day, clean

and pure drinking water, round the clock electricity with backup generators and fire safety systems .With the Dormitories separately for both, the boys and girls students and a tactile pathway, exclusively made for the benefit of visually impaired - the residential block is a barrier free new building. These facilities are provided completely free of cost and are being utilized by the under-privileged visually impaired children and orthopedic students from remote villages of Tamil Nadu.

Nethrodaya's Free Medical Helpline

Access to timely and quality medical facilities is provided by Nethrodaya for the accident victims and cases of prolonged physical ailments. Thousands of Visually impaired people have been able to get quality treatment and proper medication in crucial times through Nethrodaya's Medical Helpline completely free of cost.

Aravindh Kumar a visually impaired boy from Trichy, has been suffering with epilepsy for several years and his family could not afford for his medical treatment owing to poverty. Nethrodaya sponsored his treatment and also provided for his medicine expenses on monthly basis. Aravindh has recovered completely and is doing his B.A in Tamil Literature from University of Madras .

OUTREACH ACTIVITIES

Death with dignity

Nethrodaya's seventeen year old journey has been an incredible one, with new initiatives being launched year on year to empower and enhance the lives of the differently abled and visually impaired. On these lines Nethrodaya launched a unique scheme “Death with Dignity” in all the 32 districts of Tamil Nadu. We strongly believe that the death of visually impaired person has to be treated with utmost dignity with decent cremation/burial. Due to lack of family support and poverty most of them are unable to perform the last rites of their loved ones who are also visually impaired. With this initiative now they will be able to perform the final rites and funeral of their deceased loved ones and give them a respectful and dignified final farewell. General public who are economically poor with visually impaired people in their families can reach out to Nethrodaya to avail this timely service in the time of grief

Nethrodaya's self-employment schemes for the visually challenged families

Visually impaired women are the most vulnerable and highly neglected section in the society. In spite of all the hurdles and discriminations they are subjected to, in the society and in the families, many of the visually impaired women take care of their children and their entire families by engaging in small-scale businesses. We at Nethrodaya identify the most vulnerable and highly committed visually impaired women from the interior districts of Tamil Nadu every year.

Visually Impaired men who resort to begging are also benefitted with seed investment and counselling. In the past 17 years more than 3000 Visually Impaired people have been benefitted by this scheme.

Assistance to Educate the Children of Visually Challenged Parents

The sighted children of visually impaired parents need quality education in order to find a bright future as well as to take care of their parents later in their life. Nethrodaya devised a scheme to fund for the education of the children of visually impaired parents. This initiative was supported by Saritha Jain Foundation. Thousands of such children, who are sighted, have benefited from this scheme, because of which their poor visually impaired parents have been relieved off their burden to pay the school fees.

Nethrodaya wishes to dispel the myth that Visually Impaired couple give birth to only Visually Impaired Children. On the contrary, the heartening fact is that visually impaired couple can give birth to healthy sighted children.

EVENTS

Nethrodaya 16!

Nethrodaya's sixteenth anniversary celebrations on November 24, 2018, held at Hotel Radha Regent had all the right ingredients of a heart warming memorable anniversary event.

Outstanding achievers with visual impairment who made indelible impressions in their respective fields were recognised and awarded on the day.

Hon'ble Justice Thiru. M. S. Ramesh of Madras High Court was the Guest of Honour for the 16th anniversary celebrations. Speaking at the event he appreciated

Nethrodaya's quality services and efforts as a noble act of creating a big impact in the lives of the Visually Impaired and the differently abled, at zero cost. On the occasion Justice Thiru Ramesh launched "Death with Dignity" scheme for the visually impaired, in all the 32 districts of Tamil Nadu.

Thiru. M.V.M. Velmurugan CEO – Velammal Educational Trust was a special invitee and he recollected his fond association with Nethrodaya family and expressed his unconditional support as a volunteer of Nethrodaya.

Thiru Unni Menon, the renowned playback singer has been an integral part of Nethrodaya for the last 15 years. He prides about the happiness that he derives from

Nethrodaya and wished well for the Nethrodaya family.

Thirumathi. Anuradha Sriram, yet another popular Playback singer and well wisher of Nethrodaya said, she continues to draw lots of inspiration with positive learnings every time she visits Nethrodaya.

Thiru.Syed Sajjad Ali, M.D. – ES India, Eaton Power Quality Pvt. Ltd, who was also a special invitee, expressed his Pleasure to be associated with Nethrodaya and for all its future endeavours.

Inauguration Of Free Residential Special School Block For Differently-Abled Students

Nethrodaya inaugurated the free residential special school block on 30th June, 2019 for the visually impaired and orthopaedic students. The free residential special school block was inaugurated by **Hon'ble Justice K.K. Sasidharan** and **Hon'ble Justice P. N. Prakash** of Madras High court. Whilst, inaugurating the free residential special school block, Justice Shri Sasidharan stated that the state of art facility at Nethrodaya is no less than a gift to the visually impaired community. Justice Shri. P.N.Prakash appreciated Nethrodaya for creating a State-of-the art facility for these students and wished that this building would house the Visually impaired and differently-abled children for decades to come.

Other Special invitees include:

Sailendra Babu IPS, who in his speech said that this facility should be used to its optimum level by the Visually Impaired children and they should succeed in life.

On the occasion, **Thirumathi Annupamma**, Playback Singer enthralled the Visually Impaired children with her peppy feet-tapping songs

Corporate head **Mr. Dinesh**, MD, Kovai Pazhamudhir Nilayam in his speech appreciated Nethrodaya's work and reiterated that more and more people should come forward to support Nethrodaya for its nature of services.

EVENTS

State Level Chess Tournament For The Visually Impaired Students

Nethrodaya hosted the State Level Chess Tournament affiliated to The All India Chess Federation for the Blind (AICFB) for the visually impaired Students with immense pride on August 31, 2019. This tournament saw a fierce battle between more than hundred of visually impaired chess players hailing from various districts of Tamil Nadu. The Chess boards and Coins were specially designed for the visually impaired Chess players. With world class arbitrators, the norms and regulations were same as other standard sighted chess tournaments. Hon'ble Justice of Madras High Court, **Thiru. N.Anand Venkatesh** was the esteemed Chief Guest for the Inauguration Ceremony .The Valedictory Function was presided over

by Hon'ble Minister of Tamil Language, Tamil Culture and Archeology, Government of Tamil Nadu, **Thiru K.Pandiarajan**, who gave away the trophies to the winners , Certificates of Participation and also prizes worth 50,000/-. As our special invitee, India's first Women Grandmaster (WGM) **Thirumati. Vijayalakshmi** graced the occasion and empowered the visually impaired children on what Champions are made of. **Mr.Sabariraj** from Erode and **Master. Bipin** from Chennai won the trophies and prize money for the first prize and second prize respectively.

EVENTS

Trip to Kodaikanal for Visually Impaired students in February

Access and exposure to outdoor education and experiential learning is a must for every growing child. We at Nethrodaya strongly believe that visually impaired and differently abled children too should have equal access and exposure to explore Mother Nature to gain a better understanding of the world around them. Nethrodaya organised a fun filled education trip for the visually impaired in the month of February, which was appreciated and well enjoyed by all the students.

Nethrodaya Awards of Eminence 2019

Nethrodaya feels proud to recognise, laud and honour some of the icons who have reached the pinnacle of success in their own fields, despite being visually challenged. Yes, indeed, they have taken up the challenge so nonchalantly and have carved a niche in their respective fields.

Dr. Hemachandran Karah, the recipient of the Role model in Higher Education Award

An Assistant Professor in the Department of Humanities and Social Sciences at the Indian Institute of Technology, Chennai, Dr. Karah has published many international research papers including life writing, comparative musicology, disability studies and medical humanities. He has signed a contract with Oxford University to publish a monograph on the literary works of Ved Mehta. At present Karah is working on a book on the phenomenon of blind culture.

Dr. Subramaniam Garimella, the recipient of Editorial Leadership Award

Dr. Garimella, a visually challenged since birth, is a person of strong will and determination. An history graduate from Loyola College, Chennai, he did post graduation in Politics from JNU, Delhi, followed by a doctorate in Political Science from the London School of Economics.

He landed a job in the leading English daily “The Hindu” and continues to work there as a Deputy Editor, excelling in his domain. He has varied interests apart from journalism, Carnatic music being one among them, and can sing very well.

Thiru. P. Chandrasekar, the recipient of the “Trend setter in social work” award.

An auditor by profession, Thiru. P. Chandrasekar F.C.A has been serving the visually challenged for the past 15 years. He is the Honorary Secretary for the Tamil Nadu chapter of the National Association for the blind. He started a paper cup manufacturing unit at Cheyyar, solely managed by the visually impaired and continues to extend help in all possible ways to the visually impaired. He caters to the needs of many visually impaired students at Chennai, Vellore, Cheyyar and Thanjavur

Dr. Jayabalan and Mrs Lakshmi the recipients of the “Made for each other couple” award.

Dr. Jayabalan Ph.D, hails from a small village near Karur and has a humble background, with his father being a farmer. His darkness has been filled with the light of intelligence which helped him climb the ladders of education, and he has a doctorate in Tamil. He works at the office of the Superintendent of police, Karur. United in wedlock with Mrs. Lakshmi who is his vision, they have so much in common, though different in type. Such a contrast, yet with their harmony and strength of matrimony, they are pace makers of a successful marriage and well deserving for this award, “Made for each other couple”.

Unique Donor-Mrs. Muthu Rajam

A compassionate human being who lives to see not only her children happy and successful, but also the other underprivileged and differently abled! A mother of two, she lost her husband early in life and struggled to provide even basic education for her children. With grit, determination, perseverance and hard work she succeeded in seeing both of them as graduates with good overseas jobs. She saves from the money that her children send her for monthly expenses and diligently donates to Nethrodaya month on month. This unselfish motive of giving whole-heartedly, without any expectation in return is praise worthy indeed. Ain't she a unique donor with a big heart?!

Unique Donor- Mr.Dinesh

Mr. Dinesh M.D of Kovai Pazhamudir Nilayam _a chain of vegetable shops in Chennai continues to make a huge difference in the lives of visually impaired and differently abled children of Nethrodaya. He donates farm fresh green vegetables and fruits on a daily basis to cater to the nutritional and healthy eating needs of the Nethrodaya family. A unique green donor, isn't he?!

Unique Volunteer-Mr.Harikumar

In times when we see people struggling for a better pay check, there are people like Mr. Harikumar who dare to go that extra-mile and quit a high-paying corporate job to volunteer! At the prime age of 50 with ten more financial earning years, Mr.Harikumar decided to invest his time, energy and resources to serve the underprivileged and needy in our society. He relocated with family to Chennai to serve Nethrodaya by reading lessons and writing assignments for the visually impaired students. Isn't he a unique volunteer?!

Appeal for Support

Together let us generously invest in young, bright and daring to achieve underprivileged children at Nethrodaya! Help us to help them with more meaningful and empowering programs. Join us in this journey by being a noble donor, funding the overall development of Visually Impaired and differently-abled children.

As an individual donor you can sponsor one or more of the following:

By Cash:

Celebrate your special days such as Festivals, Birthdays, Wedding Anniversaries & Remembrance Day with us .

- High Tea: Rs.500, Breakfast: Rs.1,500, Lunch:Rs.2,000; Dinner:Rs.2,000
- Sponsor a student's monthly educational expenses Rs.2,000
- Donate a cow to a visually impaired family(for their self-employment) Rs.30,000
- Donate towards the monthly medical expenses Rs.10,000
- Donate towards Death with Dignity scheme Rs. 10,000
- Donate towards Self Employment Scheme for visually impaired Rs.5000
- Donate towards the corpus fund of the organization

In Kind:

- Donate old furniture, utensils and clothes
- Donate provisions, groceries and sanitary essentials

Volunteering opportunities:

As a volunteer of Nethrodaya, you will not only stand to gain unique opportunities and remarkable experiences by donning one or more of these hats, but will also transform the lives of every visually impaired and differently abled student in your own way!

Depending upon your interests, talents, time and skill-sets you can choose to volunteer in any one or more of the following areas:

- For academic purposes: To read text books, to write assignments, to record lessons, to be a scribe for exams
- Volunteer for our events
- Professionals in the fields of motivation, counseling and spoken English/communication can also share their expertise.
- Help the students develop extra-curricular skills such as sports, music, martial arts etc.
